

An Invitation!

Dear

As we get older Pat, I and our family are thinking more and more about Margaret's future. Because of this we want to gather together some family and friends who Margaret values and trusts to talk about it.

Our purpose in inviting you is to enable us to tap into the wisdom of a larger group of people to explore some ideas we have about what can be done now and in the future to ensure her life is safe, happy and fulfilling.

Within that context you are warmly invited to a gathering at Alan, Pat and Margaret's home.

Date: Saturday 14th April, 2007

Time: 3pm - 5pm

Address:

Phone:

We hope you can join us on this day, and naturally we will provide a cuppa (or something stronger) to share. Margaret will not be present initially, but will join us for the cuppa

Please RSVP by Wed. 11th April on the phone number above.

Warmly

Alan and Patricia.
