Essential Elements of Customised Employment

Free 3-Part Webinar Series

Customised Employment opens the door to good employment for all people with disability who want to work. Identifying each person's interests, skills and conditions for success, relating these to the workplace, then creating a job role that works for the employee and benefits their employer. It's a recipe for success.

This 3-part webinar series provides an overview of the steps to take to support a person into a Customised Employment role.

Sessions:

- **Session 1, Thursday 17 September: Discovery** - Identifying the person's interests, contributions and conditions for success
- **Session 2, Thursday 1 October: Job Development** - Creating individualised job roles
- **Session 3, Thursday 15 October: Onsite Job Support** - Strategies for ongoing success for the employee and the employer

All sessions are 12pm to 1pm, NSW time.

Who is this webinar for?

Families, professionals, educators and allies who are interested in learning effective strategies to achieve employment for people with disability.

What is School To Work?

The School to Work Project aims to inspire and equip students with disability, through the support of families, to actively secure jobs and pursue careers.
