

# School to Work

For secondary students with disability

**Are you a parent or family member of a secondary student with disability and are considering their future after school?**

Many people with disability don't have the same opportunity to obtain real employment, with many attending a day program or sheltered workshops after school.

Employment opportunities are available for ALL people regardless of their disability. This project will show you how...

**School to Work** aims to inspire, increase the confidence of and motivate students with disability and their families to make a start on the road to meaningful, paid employment in the community. Our free, introductory webinars are now open for registration:
