# Customised Employment Taster

## Free Webinar

**What if finding meaningful employment wasn't about fitting people into existing jobs but creating meaningful opportunities based on interests and strengths?**

Short on time? Join us for this brief and engaging 45-minute webinar exploring the innovative practice of Customised Employment, a person-centred employment strategy that supports people with disability to discover and secure meaningful work by building on their unique skills, interests, and contributions.

### **During this webinar you will:**

- Hear a brief overview of the Customised Employment Process
- Gain insight into why Customised Employment is needed in the current disability employment environment
- Learn how Customised Employment can lead to sustainable, meaningful employment outcomes and greater workplace inclusion

### **What is School To Work?**

The School to Work Project aims to inspire and equip students with disability, through the support of families, to actively secure jobs and pursue careers.

### **Who is this webinar for?**

Whether you're a family member, disability support professional, employment consultant, educator, or simply curious about inclusive employment practices, this short session will introduce you to a creative and effective approach that moves beyond traditional job seeking practices.
