School to Work Workshop

Join us for an interactive all-day workshop where you'll meet other families

Wednesday 25 November
9:15am - 2:30pm
Blue Mountains Theatre and Community Hub
106-108 Macquarie Rd, Springwood

About the Workshop

Learn how to identify employment opportunities for your young person with disability. The School to Work Project aims to inspire and equip students with disability, through the support of families, to secure valued jobs and pursue meaningful careers.

We focus on the typical ways and places where most people find work; where all people are appreciated and valued for their contributions to the workplace. We provide families and allies with practical information, tips and tools which focus on empowering students and young people to thrive in the workforce.

Who is this workshop for?

Parents, educators and advocates of secondary students with disability. Come along if you want to explore different approaches and possibilities to what is traditionally provided to people with disability.

Topics

- Student strengths and interests to use as a guide for potential work roles
- Practical strategies and tips on setting the young person up for success and developing a plan
- Explore characteristics of good employment supports and steps to find the right people
